

FLEET WEEK 2026

BOATING PUBLIC NOTICE

This year's on-water Fleet Week activities will be held October 9th through October 12th. To ensure the safety of participants and spectators on San Francisco Bay, the U.S. Coast Guard has enacted regulated areas (33 CFR 100.1105) and will be advertised by Local and Broadcast Notice to Mariners via VHF-FM Channel 22A. Coast Guard, Coast Guard Auxiliary and law enforcement vessels will be patrolling the regulated areas to ensure all Fleet Week events are conducted safely. Please continue to monitor VHF-FM Channel 22A for real-time updates of enforcement for specific zones.

ACTIVITIES AREA CLOSURES

NAVY PARADE OF SHIPS

Regulated area "Alpha," which is depicted on "Chart 1," will be enforced on Friday, October 9th between 10 a.m. and 1 p.m. Traffic will be restricted throughout most of the Central San Francisco Bay from the Golden Gate Bridge, south of Alcatraz, to just south of the San Francisco-Oakland Bay Bridge. This is to accommodate the Navy Parade of Ships as they pass under the Golden Gate Bridge to their assigned moorings in San Francisco. No vessel will be permitted to cross the parade line or interfere with the safe transit of the parade participants in any way. A 100-yard protective zone will also be enforced around each naval vessel the entire time they are in the port.

AIR SHOW ACTIVITIES

Regulated area "Bravo," which is depicted on "Chart 2," will be enforced during the dates and times as noted on "Chart 2." The enclosure to this flyer depicts the boundaries and coordinates of the most significant regulated areas. Federal Aviation Administration regulations require that these areas be clear of all vessel traffic during the specified times for scheduled air shows.

WATCHING THE SHOWS

The best areas to observe the air shows are:

- North of the "Alpha" box for the parade and North of the "Bravo" box for the air show
- East of Blossom Rock Buoy
- From the shore
