

# Visitor Information

Corinthian guest docks, dining room, and bar are available to reciprocal clubs, and to participants in regattas.

Advance reservations are generally needed; check with the club (call (415) 435-4771 or email) in advance to determine space availability.

Due to space limitations, parking at the club is reserved for members only. There is a public lot located across the street.

- Harbor Entrance: 37° 52.33'N 122° 27.31'W
- VHF 68 - WQND861
- Office: (415) 435-4771
- Harbormaster: (415) 302-5083

When visiting other than at a regatta, please stop by the office to register with your club's membership card. The bar and dining room are then available on a credit card basis (no cash).

If arriving by boat, it's important to make advance arrangements with the club. Because of CYC's proximity to some popular establishments, it must necessarily limit unannounced dock usage.

Visiting yachts must fly their home club burgee and check in with the office.

## Dock and House Rules:

- Cell phone use and smoking are not permitted in the Clubhouse.
- Dogs and other pets are required to remain on the lower deck. A dog station is provided there.
- Visitors must register with the front office.
- Children must be supervised by responsible adults and may not sit or stand at the bar.

For a complete listing of House rules, please click [HERE](#).

Our guest dock is aft of slip A-14 at the end of the "A" berthing line, which is the southernmost berthing line, on the extreme left, as you enter the harbor. The Guest Dock is for temporary use only. In order to provide maximum accommodation for visiting yachts, it is necessary to restrict use of the guest dock to boats under 52' in length.

Regardless of the intended length of stay, kindly contact the club office or Harbor Master before leaving your home port to ensure space availability.

Upon arrival at the CYC harbor, check in and register with a club official (Office or Harbor Master) and sign the Club's guest register. The presentation of a current membership card from a recognized PICYA club is also required.

Guest tie-ups are \$1.00 per linear foot per night. The first night is free for members of clubs extending the same courtesy to Corinthian cruisers.

Kindly check out with the club office prior to departure.

## Gate Card

For security reasons the property is fenced and protected by a locked gate. A GATE CARD may be obtained from the club office upon payment of a security deposit of \$20.

## Heads and Showers

Heads and showers are located below the Clubhouse and are open twenty-four hours. Newly renovated Clubhouse level heads are located in the hallway outside the bar.

## Ice and Beverages

Ice is available from the machine located on the main dock level adjacent to the blue covered dingy racks.

Beverages are available for purchase from the bar.

## Shore Power

Power on the floats is 30 amps but not available in all locations and require marine grade connectors.

Overloads will trip circuit breakers that then need to be reset.
